Istation Names COO From Within

Dallas-based education technology company Istation announced Ossa Fisher (left) as the company's new chief operating officer. Fisher was Istation's deputy COO and she will continue in her role as chief marketing officer. Before joining Istation, she was the senior vice president of strategy and analytics at Match, Inc. She holds a BA in economics from Yale University, as well as master's degrees in both business administration and arts in education from Stanford University.
